LAESSE
collezione frammenti di luna

L

LAESSE è un laboratorio di ceramica artigianale. Nasce dalla passione creativa di Stefania Vazzoler, che da oltre dieci anni modella e dipinge a mano nel suo casale di Oderzo, immerso nella campagna trevigiana.

Nel 2009, dall'incontro con RMDESIGNSTUDIO, si avvia un nuovo percorso creativo e nascono nuove collezioni. Gli oggetti diventano leggeri e sottili. Le forme più pure ed essenziali.

Le superfici ampie e generose. Le tonalità si espandono, raccontano di terra, acqua e fuoco. Materia, forma e colore si fondono ora in perfetto equilibrio.

Frammenti di luna è una collezione di complementi d'arredo e per la tavola interamente lavorati e dipinti a mano.

LAESSE is a laboratory of handicraft ceramics. Born from the creative passion of Stefania Vazzoler, that from beyond 10 years models and hand paints in his house in Oderzo, immersed in the countryside of Treviso. In 2009 together with RMDESIGNSTUDIO started a new creative way and new collections. The objects become light and thin. The forms become pure and essential. The surfaces become large and generous. Tones expand themselves, tell of earth, water and fire. Matter, form and color come together now in perfect balance.

Frammenti di luna is a collection of stacking bowls entirely worked and painted by hand.
